Got to get back to the land and set my soul free.

G Bb F C G F

Verse 2

Well then, can I walk beside you?

I have come here to lose the smog,

And I feel as I'm a cog in something turning.

And maybe it's the time of year,

Yes, and maybe it's the time of man.

And I don't know who I am, but life is for learning.

Guitar solo over chords to verse

Verse 3

By the time we got to Woodstock,

We were half a million strong

And everywhere was song and a celebration.

And I dreamed I saw the bombers, jet planes

Riding shotgun in the sky,

Turning into butterflies

Above our nation.
